

HARLEQUIN
the anoushka collection

anoushka

This spirited collection of prints, weaves, embroideries and wallpapers draws its inspiration from a number of folklore influences, including art, textiles, fashion, illustration and ceramics.

Anoushka's provocative patterns and powerful colour palette work together in a glorious, bohemian fusion, deliberately clashing and harmonising at the same time.

Anoushka comprises five prints, three embroidered and two woven fabrics, which are suitable for flamboyant curtains, eye-catching accessories and feature upholstery. Nine stunning wallpaper designs, and a separate book of natural linen-effect plain weaves, complete this eclectic collection.
